SAFARI accommodation features twin share beds in spacious permanent tents with interior lights and fans. All linen, pillows and towels are provided. Our menu features quality produce and in addition to the guide, a host will be on board (\*\*minimum of 8 passengers) to enable a better level of service and a greater variety of quality meals.

#### ITINERARY:

##### Day 1 – Darwin to Kakadu National Park

**DEFAULT PICK UP: Adventure Tours Australia Shop, 52 Mitchell St Darwin, 06:50am.**

With a colourful blend of frontier charm and a cosmopolitan attitude, Darwin is an exciting launch pad for our 4 Day 4WD Top End Safari. After an early start from the tropical capital, venture deep into the wilderness of Kakadu National Park, crossing a landscape steeped in ancient history and learning how Indigenous tradition and culture has been maintained through the ages. Travel to Ubirr Rock to witness one of Australia's finest Aboriginal rock art collections, and admire 360-degree views of the region. Then, keep eyes peeled and cameras ready on a cruise down the river. Try and spot the crocodiles patrolling the waters. Be captivated by the ever-changing terrain and untamed natural beauty of Kakadu. Overnight in Kakadu. (LD)

## **Day 2 – Kakadu National Park to Katherine**

After breakfast, head out to explore more of the Kakadu wetlands and take an energising walk to Twin Falls. Head south to the historic gold-mining centre of Pine Creek and settle in for the night at the historic Springvale Homestead camp. Fall asleep listening to the chatter of the outback night. (BLD)

## **Day 3 – Katherine Gorge to Mt Bundy Station**

Depending on the season, embark on a cruise along the tranquil waters of Katherine Gorge or take the chance to head out by canoe and peer up at rock walls that reach up to 70 m high. Formed by the Katherine River flowing from Arnhem Land to the Timor Sea, this 23 million-year-old natural marvel is truly breathtaking. Later in the day, head north across the sun baked outback, stopping for another refreshing dip along the way - this time by the cascading Edith Falls. We camp for the night at the remote Mt Bundy Station - once the largest cattle station in the Top End. Enjoy some classic Northern Territory treats for dinner, perhaps feasting on juicy kangaroo steak. (BLD)

## **Day 4 – Litchfield National Park to Darwin**

Filled with waterholes and waterfalls, Litchfield National Park is well deserving of all its hype and the perfect place to soak up the tranquillity of the tropics. Exploring Litchfield is the perfect way to complete this tour, visiting Florence Falls, Wangi Falls and the Buley Rockholes. Enjoy a picnic lunch, stroll through steamy rainforests and cool off with a dip in one of Litchfield's picture-perfect swimming holes. As with all good things, this Top End tour must come to an end. Hit the road and head back to Darwin to enjoy a night on the town toasting your adventure with new friends. (BL)
